

Attention Union East Families:

This week, March 6th-March 10th, will be Union East's very first Kindness Week. This event is being held by our very own UE Crew Club.

This club is made up of 10 outstanding 4th graders who have been hand selected by their teachers as students who always exemplify the

Warrior Way. Crew Club will be doing morning announcements

encouraging different ways for our students and staff to spread

kindness. They also are sponsoring a "Kindness Wall" that all students,

teachers, and staff are encouraged to use throughout the week to

promote random acts of kindness. To kick off Kindness Week, UE Crew

Club spread positive messages through "Post-Its" to our entire student

body Friday morning. We encourage all families to spread and promote

random acts of kindness this week!

Be Kind to All! 😊

Sincerely,

Mrs. O'Malley & Ms. Schrantz
Union East School Counselors
