

# NEW TIER 1 INTERVENTION

WARRIOR WELCOME

# WARRIOR WELCOME

- What: A program designed to gauge the emotional well-being of students in the morning and give teachers a foundation point to start a targeted conversation with students throughout the day.
- When: Teachers will collect the Warrior Scale for each student in the morning before 1<sup>st</sup> period (9:10am)
- Facilitators: All classroom teachers will collect Warrior Scale
- Why: Warrior Welcome is an opportunity to develop and build relationships with your students and create a community that encourages empathy and supportive practices. It is a preventative program and will identify trends and patterns for individual students, allow for long term data collection, and is a critical data entry point for social skills groups and Tier 2 Interventions (Golden Warrior and High Five Warrior)

## How:

1. Students will identify their Warrior Scale each morning
2. Teachers collect (write down on monthly chart) student's daily Warrior Scale
  1. Students may put their number on a dry erase board/laminated sheet taped to their desk
  2. Students flip a ring on their desk
  3. Students put a card in a flipchart/pocket chart on the board
  4. Students write their Warrior Scale in a designated spot on the board
3. Warrior Welcome Meeting - Teachers will spend 2-3 minutes discussing the behavioral objective for the day, inviting 1-3 students to share the Warrior Number and (optional) tell why they choose the number, and say the Warrior Way Pledge
4. The Welcome Warrior Scale (1-5/Emoji) Anchor Chart will be posted prominently in the classroom as a reference chart
5. Teachers will be required to enter their students monthly Warrior Welcome Scale numbers into a Google document each month
